Conflict Minerals Declaration of Conformity

Finkelstein Metals Ltd. hereby declares that none of the following conflict minerals are intentionally used in our products or production processes:

- Cassiterite (used to extract tin)
- Columbite-tantalite (used to extract tantalum)
- Gold (in pure or alloy form)
- Wolframite (used to extract tungsten)

For further details regarding our compliance with conflict minerals regulations, please refer to our Conflict Minerals Reporting Template (CMRT).

Council regulation (EU) 2023/1214 Declaration of Conformity

Finkelstein Metals Ltd. hereby declares that all products supplied by the company are in full compliance with **Council regulation (EU) 2023/1214 of 23 June 2023**, amending **Regulation (EU) No 833/2014** concerning restrictive measures in view of Russia's actions destabilizing the situation in Ukraine.

In accordance with the regulation, the **import or purchase, directly or indirectly, of iron and steel products listed in Annex XVII**, when processed in a third country and incorporating materials of Russian origin, is strictly prohibited.

Finkelstein Metals Ltd. confirms that it is fully aware of these requirements and ensures strict adherence throughout its supply and production processes.
