POPs Declaration of Conformity

Finkelstein Metals Ltd. Hereby declare that all continuous and extruded cast alloys produced by the company, as of the date of issuance of this Declaration, are in compliance with the following regulations and standards:

- The IPC-1752A Material Declaration Standard, latest revision dated November 2024.
- The Persistent Organic Pollutant (EU POP) regulation (EU) No 2019/1021 as adopted on June 20th, 2019 and all its subsequent amendments up to date of this declaration (last updated on September 27th, 2024).

This declaration is based on information from our internal production processes and supplier data and is accurate to the best of our knowledge and belief.

- *For further details, please refer to our Material Certificates.*
