Proposition 65 (OEHHA) Declaration of Conformity

We hereby declare that products manufactured by Finkelstein-Metals Ltd. meet international standards but may expose individuals to chemicals, including Lead (Pb), which is known to the State of California to cause cancer and birth defects or other reproductive harm. For Detailed composition look at the COA.

Finkelstein-Metals Ltd. complies with Proposition 65 (as of March 2024) by providing customers of their obligations under the law.

Upon sale of Finkelstein-Metals Ltd. products, after sold to customers, makes customers responsible for providing any Proposition 65 warnings for material in use to its own customers and employees.

Customers are advised to seek their own legal counsel to ensure full compliance with all laws and regulations related to Proposition 65, as Finkelstein-Metals Ltd. does not provide legal advice.
