### **REACH SVHC Declaration of Conformity**

Finkelstein Metals Ltd. hereby declares that, of the date of issuance of this declaration, all products supplied by the company are assessed in accordance with the requirements of the REACH Regulation (EC) No. 1907/2006, specifically Article 33 – Obligation to communicate information on substances in articles.

According to Article 33, any supplier of an article containing a Substance of Very High Concern (SVHC) in a concentration above 0.1% by weight (w/w) at the homogeneous material level must provide recipients with sufficient information to allow safe use of the article, including at least the name of the substance.

The Candidate List of SVHCs was first published by the European Chemicals Agency (ECHA) on 28 October 2008, and is regularly updated. The most recent update, as of this declaration, was published on 16 September 2025. The full list is publicly available at:

<https://echa.europa.eu/candidate-list-table>

Finkelstein Metals Ltd. declares that the following Substances of High Concern (SVHCs) are present in the products we supply in concentrations exceeding 0.1% w/w:

**Name** Lead (Pb)
