Toxic Substances Control Act (TSCA) Declaration of Conformity

Finkelstein Metals Ltd. hereby declares that all chemical substances contained in our brass and bronze products are in full compliance with all applicable requirements under the U.S. Toxic Substances Control Act (TSCA).

We further affirm that we are not offering any chemical substance for entry into the United States in violation of TSCA, or any applicable rule, order, or requirement issued under the Act.

In accordance with TSCA regulations, we confirm that none of the substances currently restricted or prohibited – either fully or partially – are intentionally added to our products.

As of the date of this declaration, TSCA fully or partially restricts the following 14 substances or substance groups:

1. Asbestos
2. Lead (in paint and paint waste)
3. Polychlorinated biphenyls (PCBs)
4. Dioxins
5. Chlorofluorocarbons (CFCs)
6. Metallic mercury (in consumer products)
7. Formaldehyde
8. Nitrites (in metalworking fluids)
9. Hexavalent chromium compounds (on metals used in water treatment)
10. Phenol, Isopropylated Phosphate (3:1) (PIP 3:1)
11. Decabromodiphenyl ether (DecaBDE)
12. 2,4,6-Tri-tert-butylphenol (2,4,6 TTBP)
13. Hexachlorobutadiene (HCBD)
14. Pentachlorothiophenol (PCTP)
